

WV State University Extension Service offers Rain Garden Workshop

Be kind to the environment and your garden learning how to reuse rainwater.

- WHO:** WV State University Extension Service
- WHAT:** Rain Garden Workshop, FREE OF CHARGE
- WHEN:** Wednesday, September 24, 2008 from 10:00 until noon
- WHERE:** Douglass Institute Administration Building parking lot, Institute, WV

The rain garden workshop will teach participants the benefits of installing a rain garden. It will show participants how to choose the best location for the rain garden, soil preparation, plant selection, and garden design.

The workshop is free of charge and open for public participation. Attendees should dress appropriately and wear walking shoes. The class will meet in the parking lot behind the Douglass Institute Administration Building and be conducted in a nearby garden area. Door prizes and giveaways throughout the workshop. Please contact Jeannie Sutphin at (304) 766-5711 to register.

Directions to Douglass Institute Administration Building:

The Admin Building is located at 201 ACEOP (large home with white pillars) on Route 25. Turn into the concrete driveway and follow drive behind the large white building to the parking lot.
